

Municipal Activity Report – Highlights – June 2016

Submitted by the French River Citizens' Association

The following is a snapshot of the latest local municipal affairs.

Next scheduled Regular Council Meetings: July 27th, August 24th and September 14th, 2016.

Request for Tenders

- 2016-006 Request for Tender - Storm Water Pond and Screening Berm Construction, Noëlville Landfill.

Delegation

- Presentation to Council by the French River Snowmobile Association requesting improvements to township road Boisvenue Road which is part of the 'C' trail linking Alban and Noëlville and allowing access to snowmobile trails to the north; there is one section which the water continually runs across the road at beaver swamp and is a hazard.

Management, Committee and Board Reports

- Treasurer's report - analysis is ongoing re: advantages and disadvantages of borrowing from our reserves to erase the debts and the impact of committing to a repayment into the reserve funds.
- Result of the Request for Proposal for Engineering Services Contract; based on the Request for Proposal requirements and rating, the successful candidate identified was Stantec.

Closed Session

- litigation or potential litigation.
- personal matters that would identify municipal employees.
- the security of the property of the municipality.
- proposed or pending acquisition or disposition of land.

Agenda Packages and Minutes of Council and Committee meetings are available at the following internet web link:
